**“Whoever sows generously.... will also reap generously”.**

Seeding. It's simple. You push a seed into the soil, give it a little bit of water, and wait for it to grow. Well, you might want to fertilize it and water it a few times. But the mystery is left up to God when we watch a small seed become so much more, such as a plant with roots and finally bearing fruit for all.

Jesus spoke of a seed sown on good soil that bears fruit yielding a hundred, or sixty or thirtyfold. So, when St. Paul spoke of gathering gifts for a community in need, he reminds us that God likes a cheerful giver. He put it this way, “whoever sows sparingly will also reap sparingly, and whoever sows bountifully will also reap bountifully”. (2Cor. 9:6)

The theme of the 2019 Annual Eparchial Appeal is **“Whoever sows generously .... will also reap generously”**. In other words, if together we give to those in need, together our needs will be met.

In Christ,
