

UKRAINIAN CATHOLIC FOUNDATION OF SASKATCHEWAN
2026 ANNUAL EPARCHIAL APPEAL
PULPIT MESSAGE FOR CLERGY - #4
May 9th – 10th, 2026

Over these past weeks, we have been reflecting on the 2026 Annual Eparchial Appeal and the many ways it supports the life of our Church.

Today, we turn our attention to a great gift among us: our clergy, or more specifically the **St. Mathew Clergy Society**.

Our priests walk with us through every stage of life. They baptize our children, bless our families, teach and guide us, celebrate the Divine Liturgy, and stand beside us in moments of joy and sorrow. Through their hands, Christ continues to serve His people. Truly, without our clergy, there is no living Church among us.

And so, as they care for us, we are called to care for them.

The St. Matthew Clergy Society exists to fulfill this mission: to provide our clergy with health care, insurance, and retirement support they need after years of faithful service to our Eparchy. It is a simple but essential way we can give back to those who have given so much.

This is not simply an act of generosity—it is a sacred responsibility. The Church reminds us that those who dedicate their lives to God’s people should be supported with dignity and gratitude.

The Annual Eparchial Appeal is more than a fundraiser. It is an invitation to live our faith—to serve one another and our community. Let us open our hearts, respond generously, and continue building up Christ’s Church together.
